

Cranhill boys are the Champs

Did you know that boys from Cranhill recently won a football tournament organised by FAYRE at Lochend pitches in Easterhouse. The event was funded by FACT.

Well done from everyone at FACT

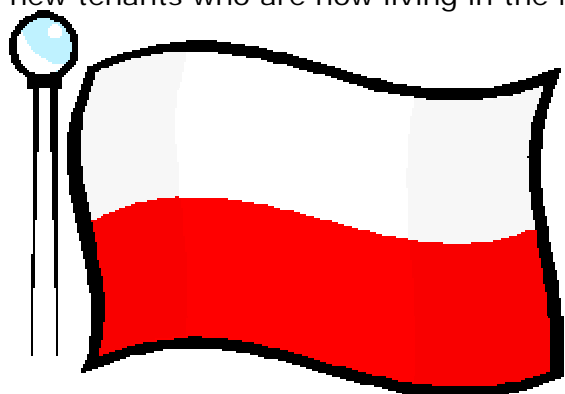

The boy's names from left to right are

Thomas Hally, David McKay, Chris Kennedy, Thomas Bilsland and Alec Kenny.

Coming Soon!!

We are about to provide translations of our website for our tenants. First of all we are going to provide Polish translations as a result of a high number of new tenants who are now living in the multi storey flats in Cranhill.

Youth tackle Graffiti

FARE have been working with young people within Cranhill since summer of 2006. The recent closure of the Woman's Forum offices at Lamlash Crescent led to graffiti and smashed windows. However, some of the youth who attended this club volunteered to paint out the graffiti with FACT providing the

paint, brushes and overalls. Well done to the young men as you can see the difference before and after. If you recognise any of the graffiti then please advise us. If you note that it is your child's name then we would expect you to take action to prevent this happening again.

The next programme involves tenemental properties in Crowlin Crescent and Gantock Crescent. Please contact us for an up to date position or to find out when you can expect investment to take place in your area.
